

## Grace Notes

December 2011

### From the Pastor's Desk

Dear Brothers and Sisters in Christ:

This past weekend while attending my son's soccer tournament in Memphis I was suddenly struck by the reality of what I had been ignoring for some time – I walked into a store filled with the sights and sounds of Christmas! It was as though the GPS system in my head was going off and squawking, "Recalculating – Recalculating!" It was then that I realized with just two weeks before the celebration of Thanksgiving, whether I liked it or not, Christmas is on the way and there's no stopping it – even as employees of some major department stores are petitioning their company not to open the doors at Midnight signally the start of "Black Friday!" Why, even my neighbor got one hand up on me again this year with the outside Christmas lights already on!

What is my point, you ask? I believe the celebration of Advent and Christmas can be a huge matter of one's perspective! For many Christmas is simply all about the shopping, the presents, the lights, and the getting. It becomes an issue of agony over how do I make this Christmas better than the last, how do I make ends meet, and it comes too soon once again. Lost among all the "to-do-lists," decorating, and nostalgia of Christmases past is the perspective and joy of giving!

Not just any giving, but the gracious and humble giving of God in sending Jesus Christ, born in the manger, born in Bethlehem, to be our Savior! It seems that more and more our society is seeking to eliminate that message and all the trappings that go along with it. Yet, no matter how hard people might try, it is a message that continues to echo today as it did from angel voices to the shepherds that first Christmas, "Do not be afraid. I bring you Good News of great joy that will be for all the people. Today, in the town of David a Savior has been born to you; He is Christ the Lord!" (Luke 2:10-11) There in a nutshell you have the announcement of the greatest gift that could ever be given – a gift of God's grace and love – a gift that overcomes sin and death – a gift that lasts for an eternity – a gift not to be held, but shared with the world that all might be saved and come to the knowledge of the truth!

From my house to yours, I want to wish each and every one of you a "Merry Christmas" and the blessings of a "Happy New Year!" Make plans now to join with us for our Midweek Advent celebrations as well our Christmas Eve Candlelight Services at 4:30 and 7:00 PM. Please note that we will have a combined Christmas Day AND a New Year's Day Service with Holy Communion offered at each beginning at 10:00 AM!

Merry Christmas,

Pastor Blair Clark

## Mommy's Time Out News

This first quarter of the school year has definitely flown by quickly. I can't believe we're already approaching the Christmas holidays!

Our little ones have been very busy. Our monthly themes thus far have covered God Makes the Animals, God Makes People, Jesus Welcomes the Children, and Give Thanks to the Lord. We have also introduced colors, shapes, and the numbers 1, 2, and 3.

In December, our theme will be "Happy Birthday Jesus - To Us a Child is Born!" The numbers 4, 5, and 6 will be introduced as well.

Our big news for this first quarter is the addition of a third classroom. With 23 students registered before classes started, we knew it was time to expand. Our newest classroom is the multi-purpose room. We share this room with the afternoon enrichment program for 3-4 yr.

olds.

We have also welcomed two new staff members; Ashley Finley and Amanda Rowan.

As always, MTO is extremely blessed and so thankful for the parents and children who attend this program. Please keep us in prayer as we continue to grow.

In His service - Christy, Carrie, Jocelyn, Ashley, and Amanda.

## Foster Community Update

### Fall Festival Soup

Thanks to Norma Palmer for taking the lead to make soup for the Fall Festival at Iglesia. Lila Nelson, Marion Camealy and Sandy Robinson were the 'souper' cooks who helped. Grace also provided 45 candy bags for attendees.

Thanks to all who helped make their Festival a success.

### Puppets at Iglesia

Thanks to Kevin Brandon for giving the Hispanic Puppets, a 'stage' and Spanish material to Iglesia. They had their first show, October 29<sup>th</sup> and it was a huge success.

### English Classes

Last English class was November 17<sup>th</sup>. Thanks to teachers Phil and Kleone Nelson, Dennis Sierk, Marion and Craig Camealy, Clint Camealy, and Kathryn Bradshaw. Thanks to the Childcare helpers, Jim and Martha Baumann, Kleone Nelson, Lila Nelson and Sheila Sierk. Special thanks to the creative lady, Sheila Sierk, who made many meals for the class. Somehow it all comes together. We had as many as 15 students and 12 children attend. Their English is getting better! Most of them know the common Lutheran table prayer and it is strange to hear it in a Spanish accent!

Next English class starts in January. Let Kleone Nelson (256-534-2483) know if you would like he assist with teaching or childcare.

*The members of Iglesia de la Comunidad would like to thank Grace for Making a Difference in their lives.*

## The Principal's Corner

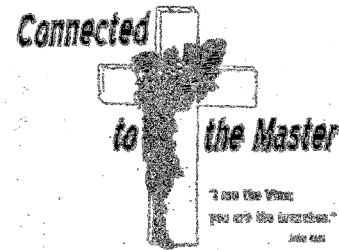

Glory to God in the highest heaven, Who unto man His Son hath given; While angels sing with tender mirth, A glad new year to all the earth" – Martin Luther.

A d v e n t ,  
D e c e m b e r ,  
remembering our saviors birth, oh my! It is that time of year when things seem to get busy and hectic with all the hoopla going on around us. How easy it is to get lost in all the gusto that goes with the Christmas season. This year take time to stop, breathe and reflect on the true gift. By that very act will you feel your heart glow as you see God's master plan, and all the blessings God has bestowed on your family this past year. Amazing, when you see God's hand in all the ups and downs the year has brought, and amazing still the love and care He provides as we stumble being His messengers. But is that not what God has called us to do? Have an answer for the hope that is in you with everyone who asks. In so doing we have an amazing opportunity for witnessing. As you contemplate ways to witness I invite you to bring a friend or neighbor out to the Advent services held every Wednesday evening starting November 30. Even so you could invite them to the school

led Christmas service Wednesday, December 7 starting at 7:00pm. This year the students will lead us through a study of why it is important to reflect and remember our coming savior's birth every year until His promised return. It is always something to see children lead a service and share the hope that is in them. Please join us if you can.

Reflecting upon our many events this past month we are thankful for the many volunteers and organizers who made them all possible. Our annual Endowment banquet went very well. We want to thank all who attended this educational experience as we were treated to Dr. Perry Bresemann topic on the future of education, technology in the classroom, and the importance of having a strong foundational start. Also, the "Be The School" week was a huge success. The students were able to reach out and make an impact in the community by baking over 26 dozen cookies for our hometown hero's, 5 casseroles for Blount House, 45 backpack meals for feeding the poor, 12 shoe boxes for Operation Shoe Box, and witnessing at 2 assisted living homes. Praise God for that wonderful opportunity, and praise God for the gift of faith from so many children who made a difference in the lives of so many. Also, a big thank you

goes out to Karen Kelly for organizing and putting together our first hosting of the FLL North Alabama Robotics Qualifier Competition. Karen worked extremely hard putting together a team from Grace and from other schools to make sure it was a huge success. In her spare time she helped coach our robotics team to second place in the qualifier which automatically qualifies us for the championship. We are truly blessed with such gifted and talented young students and parents who dedicate their time because they believe in what Grace is truly all about.

May your Christmas season be so richly blessed, and remember to take the time to reflect on the true gift, and God's master plan for all of us so that through you others will see that joy and ask you the reason for the hope that you have, and come to know our savior because of that opportunity.

Serving His Kingdom,  
Josh Swartz  
Principal

Dear Brothers and Sisters in Christ,

Greetings in the name of Jesus, our Risen and Victorious Savior, and many blessings to you and your church.

In his second letter to the Thessalonians, St. Paul tells the people there, "...we constantly pray for you, that our God may count you worthy of his calling, and that by his power he may fulfill every good purpose of yours and every act prompted by your faith" (*II Thessalonians 1:11*).

In his spirit we, the members of Emmaus Lutheran Church in Alhambra, California, will include your congregation in our prayers on Sunday, October 30, 2011.

Our prayer is for the Lord's continued blessings on the ministry of your congregation, that you may be a beacon to your community, in order to light the way to Jesus.

Continued blessings to you all!
