Grace Lutheran Selected to Participate in Set Apart to Serve Pilot Program

by Pastor Russ Gipson

"Everyone who calls on the name of the Lord will be saved. How then will they call on him in whom they have not believed? And how are they to believe in him of whom they have never heard? And how are they to hear without someone preaching? And how are they to preach unless they are sent... So faith comes from hearing, and hearing through the word of Christ." (Romans 10:13-17).

Grace Lutheran is currently experiencing a season of growth, health, and vitality. This is evidenced by increases in membership, worship attendance, school enrollment, participation in Sunday School and Adult Bible Studies, financial stability, and other markers. We are far from a perfect congregation. We certainly have challenges to work through, and sin does break into our congregation and our lives to do its damage. However, God is good, and Christ overcomes our sin, forgiving us and faithfully carrying out His work through imperfect instruments like us. Christ working in this place is the reason we are experiencing this season of growth, health, and vitality. And here are some of the things that He is using to accomplish His work:

- Members who are passionate about seeing Jesus' church thrive and faithfully using their gifts to serve Him.
- Congregational unity** in mission, purpose, direction, and the supremacy of the Gospel that overcomes the devil's attempts to sow division.
- Membership in a church body that is faithful to the Word of God and uses that Word of God as the primary source of doctrine and practice.

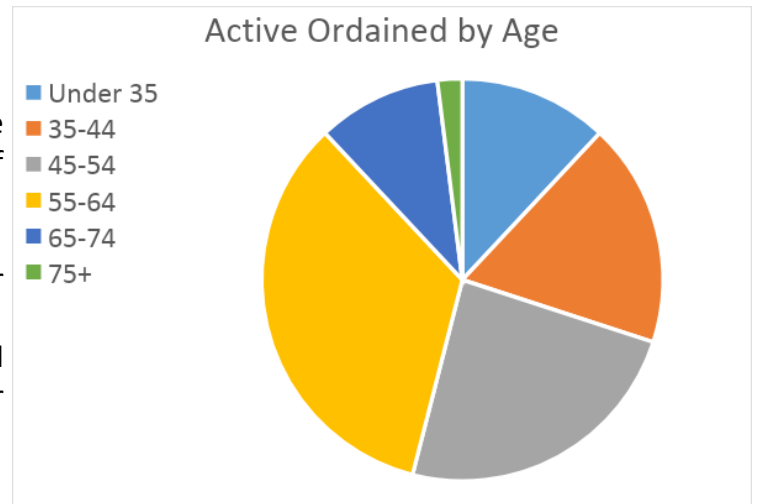

- Location in a city that is ripe for a healthy, vibrant congregation. As many people relocate to Huntsville, this gives us many opportunities to share God’s Word with people who are looking for a place to call home.
- Consistent presence of faithful church workers who are motivated to serve the Kingdom of God. We are blessed with 1 Pastor, 2 DCEs, 1 Principal, and 7 teachers who have been taught and trained in Lutheran Higher Education Universities and Seminaries.

While we give thanks to Christ for our congregation’s season of growth, health, and vitality, the LCMS and its universities and seminaries have identified a potential crisis on the horizon. Our universities and seminaries have seen a significant decrease in enrollment in church work programs in recent years. The chart below shows decreases in enrollment statistics from 2004-2018.

Seminary Programs	
Master of Divinity St. Louis (Pastors)	-61%
Master of Divinity Fort Wayne (Pastors)	-44%
Combined MDiv	-55%
Non-Residential Routes St. Louis (Pastors)	-34%
Non-Residential Routes Fort Wayne (Pastors)	-44%
Non-Residential Routes Combined (Pastors)	-38%
Concordia University Church Worker Programs	
Pre-Seminary	-59%
Lutheran School Teacher	-61%
Director of Christian Ed.	-56%
Director of Christian Outreach	-71%
Deaconess	-43%
Director of Parish Music	-47%

These decreases in enrollment paint a concerning picture. If churches are going to continue to thrive, we are either going to need to increase enrollment in these important church work programs or congregations are going to need to become creative in identifying and preparing lay people for service within their own congregations.

Another trend to consider is the age of our active enrolled pastors. This chart illustrates that 46% of our active ordained pastors will be at or above retirement age within the next 10 years. These realities not only have grabbed the attention of our Colleges, Universities, Seminaries, Synodical Leaders, and congregations, these realities have all of those institutions and ministries working together to find solutions.

One area of focus revolves around the identification, development, and encouragement of future church workers in their home congregations. This requires a group effort from parents, current church workers, and congregational leaders who are able to recognize both the potential, as well as the great need. Grace has been selected as one of 46 congregations in our synod to participate in a pilot program called Set Apart to Serve. In the year ahead I will be receiving training and materials from our synod intended to guide and support our congregation in seeking to identify, equip, and prepare the next generation of church workers. The harvest is plentiful and the workers are few, and I wonder if God is blessing us with health at this stage in our ministry so that we might be fertile ground for raising up and nurturing future church workers in our own midst. Watch for more information to come.

In Christ,

Pastor Russ

PRINCIPAL'S CORNER

January 2023 Edition

Looking back:

As always, December was a busy month, both in and out of the school building.

The classes worked hard to prepare for leading the Advent service on December 7th. Beautiful music and Scripture were presented through a Lessons and Carols service that helped to prepare our hearts for Christmas.

Students and teachers also were busy wrapping up the end of the first semester, ending units, and taking Exams before Christmas Break. Throughout the month, a variety of Christmas spirit days kept us in the holiday spirit while we were hard at work. The Spelling Bee was also held this month. Owen J. won the Bee with Macie L being the runner-up, qualifying for the Scripps Regional Bee to be held after the new year.

PRINCIPAL'S CORNER

January 2023 Edition

Grace Lutheran was highly involved in the community this month. One of our students, Anna F., was selected to participate in the Galaxy of Lights.

"Letting the Light Shine Through"

Our students created Christmas ornaments for the Grace Tinsel Trail tree. Their beautiful tree, titled "Letting the Light Shine Through", was a highlight of the display, showing how Christ's love shines through us.

Additionally, we entered a float in the Huntsville Christmas Parade with the theme, Rockin' Under the Christmas Tree, which showed Jesus to be the most important thing under our tree. Thank you to all the volunteers who helped to make it possible!

Looking forward:

The end of January will be National Lutheran School Week. The committee is starting to plan a fun-filled week for us to celebrate our commitment to Lutheran Education. Students will also start work on their Science Fair projects with a completion date in March before Spring Break.

Staffing:

We are still looking for a long-term sub to teach the Spanish class as well as staff or volunteers to work in the aftercare program. Please contact the school office if you are interested.

Please continue to pray for the school, its families, and the staff.

God's Blessings,

Delaine Schiestel, Principal

OUTREACH CONNECTIONS

January 2023 Edition

WORSHIP | GROW | ENGAGE is our discipleship focus. Disciple-making is a process that needs ongoing attention. Jesus commands us to make disciples. We are EACH to be disciple-makers. What priority are you giving to being a disciple? Do not leave it to the church/school staff to do the discipling!

Are you keeping your eyes and ears open to opportunities to build connections with someone and be ready to share your faith story? I find joy when I hear or see how persons become involved in sharing Jesus with others.

God blessed Grace Lutheran with a great Christmas celebration! More than 450 people attended our Christmas Eve worship services. Many of these were guests that were likely at Grace Lutheran for the first time. Worship services are to be reverent and we do not want to adversely affect anyone's worship. You are encouraged to take time to greet the people in the area where you are seated, and when you exit the church. It can appear that we are just moving "cars" through the worship service. We do not have much time for interaction. This is why participation in fellowship times, attending Bible classes, or participating in a community group is so vital to develop stronger connections. It's a New Year, so I encourage you to start a new pattern for yourself!

As we start the New Year, who are you praying for that God would touch with His saving message? I encourage you to keep a list of two or three persons that you pray for and seek to witness the love of Jesus to them. You need not convert them, as we only plant the seeds and God does the conversion.

Our next **Discovering Grace** class is set for **February 4th & 5th**. The class meets on Saturday from 9 AM – 12 PM and on Sunday from 9:30 – 10:30 AM. Invite someone to attend! You may even come as the person's chaperone. The **Discovering Grace** class reviews basics of the Lutheran faith along with looking at our discipleship process of WORSHIP | GROW | ENGAGE.

Life is changing for churches as we build on God's Word. We are dealing with seeking more online involvements with those that join us via live streaming. The live stream of the 8 AM worship service is available to you any time after 8 AM on Sunday morning. You can access the link from a MailChimp email or from our church website at www.gracelutheran-hsv.org.

For those interested in engaging their own neighborhoods in hopeful action, the place to start is hopefulneighborhood.org. On the website you will find videos explaining the program and how to get started. If you want to explore how this might look in your neighborhood, then **The Hopeful Neighborhood Field Guide** is a good first step. The Field Guide provides six sessions to help you make a difference right where you live. Each session has accompanying videos (story and teaching) that complement and support the book. Just click on "Books" and drop down to "Field Guide."

OUTREACH CONNECTIONS

January 2023 Edition

To grow in health, take time to get know others who you do not know when we gather for worship and Bible study. Take time to build connections and relationships! We will be healthier as a congregation as people grow in connections! We desire to be a welcoming community!

Grace Lutheran will remain healthy and be a growing church as we keep our mission eyes on Jesus and how we can share that love with others! Thank you God for each person served or connected through Grace Lutheran! We have many connection opportunities – Grace Lutheran School and Grace Lutheran CDC, as well as in our community!

This is a special month when we celebrate Epiphany! Epiphany means to “make known.” We have Jesus in our life to share with others. Jesus is with each of us now and as we await His second coming. Blessings!

LOCAL MISSION ENGAGE CONNECTION

Grace Lutheran has developed a relationship with **McDonnell Elementary School** (4010 Binderton Place Huntsville, AL 35805). We have been advocates for the school and open to responding to needs as they are shared with us. We are still stocking their Little Library with children’s books. The library has been moved nearer to the school building as it was knocked down twice recently. **We have a need for children’s books, activity books, and basic school supplies.** You can support this project by contributing gently used children’s books or providing such items as commercially wrapped individual snacks (examples: Cheez It crackers, Lance sandwich crackers, Rice Krispy or granola bars). Books and school supplies along with food supplies may be placed in the chest in the church narthex. Thanks for your generous support as you respond in the love of Jesus.

First Stop encounters the homeless where they are, connects them to critical services and support, and empowers them toward independent sustainable living. So far this year, the First Stop team has successfully assisted 53 individuals from homelessness to independent, sustainable living. These are 53 people who are no longer living on the street but are sleeping in the safety and comfort of their own homes. **First Stop** is located at 2820 Governors Drive. (35805).

First Stop relies on volunteer support to provide hot meals twice a day at the temporary facility location – 2820 Governors Drive.

Volunteer Tips for providing meals:

- Meals should serve 80-100 people. Prepare food for 80 people! **3-4 servers** are needed to serve the meal.
- Provide food that is already prepared and only needs to be heated. No cooking, please.
- We serve Breakfast and Lunch, Monday through Friday. Breakfast meals are to delivered to **First Stop** by 7:45 AM and lunch meals by no later than 11:15 AM
- Breakfast is served from 8:30 a.m. to 9:30 a.m.
- Lunch is served from 12 p.m. to 1 p.m.

CONNECTION GROUPS

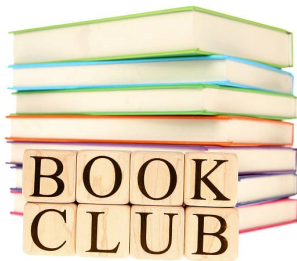

January 2023 Edition

ARE YOU CONNECTED?

Connection Groups (formerly called interest groups) are a means of “building bridges” to connect with others (unchurched or dechurched) in your neighborhood or our community. It’s about building a group around a similar interest (hobby, craft, fun activity, sport, or just about anything else under the sun). The goal is to help connect persons to Christ, the church, and the community. Dream the possibilities and then explore the opportunity to set up a group that meets at least on a bi-weekly basis. Of course, you can choose to take breaks in the schedule as needed for holidays/summer vacation, etc. Grace Lutheran’s vision is to grow in being passionate servants. Organizing or leading a connection group is a means of being a passionate servant. Have you ever thought that you can be instrumental in connecting others around interests as a means of serving God?

Want to start your own group? Contact Kathryn Bradshaw (kefbradshaw@aol.com or 256-603-3331). Not in a group? We encourage you to join one of our existing groups.

Here is a listing of the current Connection Groups (Continued on next page)

The Christian Book Club meets in the church library at 10 a.m. on the 2nd Wednesday of each month. Our next meeting will be **Wednesday, January 11th**, and we will be discussing *There’s Something About Christmas* by Debbie Macomber. The next reading selection is *They Were Christians: The Inspiring Faith of Men and Women Who Changed the World* by Cristobal Krusen. Contact: Karen Crout at 256-652-1482 or crout@juno.com.

*Can't come to the Book Club? Books from our reading selections are also available in the church library. When you enter the library, go to the bookcase on the opposite wall (to the left of the window). You will find the books on the bottom two shelves. There is a sign indicating that these are Book Club books. **Feel free to take any of the books!***

The Sew 'n Sews meet on Mondays from 1-3 pm in the church choir room. **We will resume meeting after our Christmas break on January 9th.** This group makes many things that are donated to various people and organizations. In 2022 we donated and/or made 961 items that went to 18 different organizations. The list of items is quite large and varied. There’s something for everyone to make, no matter your skill level or sewing/craft interest.

Come and join us! Contact: Harriett Kicklighter at 703-881-6244 or hkickl1@gmail.com.

Resolutions & New Beginnings

A New Year and we commonly hear people proclaiming their “2023 Resolutions.” However, how often are resolutions a result of problems of the past year that are not resolved?

The many definitions of “resolution” cause me to pause and reflect on the resolution as a “formal expression of opinion, will or intent with determination” versus “the answering or solving of an issue or problem.” Or, what about the definition of resolution, meaning to clarify or bring to clearer focus?

God’s resolution was to save His people through sending His Son, Jesus, to be our “resolution” to sin. John 3:16, “For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.” Fully resolved...every day, for all of us, through His grace and mercy. The Bible brings into resolution the many promises God has made and fulfilled.

As we start the new year, we should remember, every day is a new beginning, with new possibilities and opportunities. Through Christ we are forgiven and renewed so we may leave the past sin behind, have joy in today, and hope for a future with Christ.

For some, the new year is a time of reflection on events, difficulties, and loved ones who died in the past year. If you are facing a difficult life situation, Stephen Ministers are available to encourage, listen and walk with you as you look for clarity through Christ’s promises.

We have a new class of Stephen Ministers in training now until next April. Please keep Stephen Ministry at Grace Lutheran in your prayers. May God strengthen our Stephen Ministers and trainees as they serve our congregation.

Contact Judy Zecher (jmazecher@gmail.com) if you have any questions about Stephen Ministry at Grace.

New Studies for a New Year!

Now What Bible Study

This month, the Now What Community will begin a study on Hebrews and Leviticus. The book of Hebrews is packed with Old Testament references and Jewish traditions. By looking at these two books together, we can get a better understanding of the Jewish laws and how they show us that Jesus is the fulfillment of the Law.

David

David, you've heard his name many times. In fact, he is mentioned more than 300 times in the Bible. But how well do we really know this man? What does the Bible actually say about him? What can we learn from this man that will help us live more devoted lives for Christ? Who was this man that God designates as "a man after His own heart?" The class will be led by Tom Naatz in the School Cafeteria beginning today.

Digging Deeper-Archaeology of the Exodus

When did the Exodus take place? Who was the Pharaoh at that time? Where did the crossing of the Red Sea happen? We will explore the answers to these questions and more as we delve into the evidence of what archaeologists and scholars have determined. Are they right, or might there be other possibilities? The Bible study begins on Wednesday, January 11th at 6:30 in the Assembly Room.

Discovering Grace

INTERESTED IN MEMBERSHIP? On February 4th & 5th, 2023, Grace Lutheran will hold the next Discovering Grace Class, our portal to membership.
