

Setting the Mind to Work

In 586 B.C., the Southern Kingdom of Judah fell to the Babylonians. In 539 B.C., Babylon fell to the Medes and the Persians, and in 536 B.C., the first wave of Jewish exiles returned to the Holy Land. Then, in 445 B.C., Nehemiah heard about the struggles that the Jewish remnant was having in Jerusalem. Nehemiah was the cupbearer of King Artaxerxes of Persia, and he asked the king if he would be willing to send him back to the holy city of Jerusalem to help them in the rebuilding of the wall. King Artaxerxes agreed, and Nehemiah went back to Jerusalem with a big goal in mind. When Nehemiah and the workers started the audacious project of rebuilding the wall, they were mocked by Sanballat (a Samaritan leader) and the Samaritan army as they worked. They were ridiculed. Sanballat taunted them asking the question, “What are these feeble Jews doing?” (Nehemiah 4:2). Tobiah the Ammonite mocked them saying, “Yes, what they are building—if a fox goes up on it he will break down their stone wall!” (Nehemiah 4:3). But Nehemiah prayed to the Lord, asking for his help, and in Nehemiah 4:6, Nehemiah reported, “So we built the wall. And all the wall was joined together to half its height, **for the people had a mind to work.**” It was a bold, audacious project, and with their minds set to work, the wall was completed in only 52 days.

Now that we have purchased property to give us needed room for seizing the Kingdom opportunities that God continues to put before us, many have been asking how we are going to use that property for ministry. Unlike Nehemiah's project, ours will certainly not be forever preserved in the pages of the Holy Scriptures, and it will certainly take more than 52 days to complete! Yet how God will use this project to His glory is a healthy curiosity to keep in the forefront of our minds as we move forward. With that in mind, I wanted to give you an update on the progress being made.

Architect Selection Process

A key component of our project will be the development of a feasible master facility plan for our entire campus. The Board of Directors is currently interviewing architecture firms with the goal of selecting one to assist us in the development of that plan. The Board has already met with Chapman | Sisson, and in the month of March the Board has scheduled meetings with Nola | VanPeurse, Fuqua and Partners Architects, and The Aspen Group. After these interviews are complete, the Board will select a firm to engage with. If all of our meetings take place as scheduled, we hope to have a firm selected around Easter. At that time, the Board will form a committee to work with the selected architecture firm in developing a feasible master plan that we pray God will use to connect others to Jesus for all eternity.

Capital Investment Campaign Committee

In addition to developing a master plan, we also must work on funding the purchase of the property and the construction of buildings. The first phase of the campaign will be to work toward paying off the debt incurred from the purchase of the property. We give thanks to Mike Ellis, Kristin Haycock, Wade and Jan Foster, and Bekah Schmidt for their willingness to serve on this team. In the months and weeks ahead, you will see this giving opportunity published and encouraged across our ministries.

Setting our Minds to Work

Those working on the wall were able to persist in their building despite the taunting and hurdles that were before them because God had set their minds to work. We continue to pray that God would bless us with a spirit of persistence, that depending on Him we might seize the Kingdom opportunities He has placed before us.

In Christ,

Pastor Russ

PRINCIPAL'S CORNER

March 2024 Edition

February was full of activity around Grace!

Valentine's Day this year was interesting since it was also Ash Wednesday. Classes received ashes or blessings at chapel in the morning and celebrated Valentine's Day in the afternoon. The air was full of sugar that day. The PTL was also delivering flowers and CandyGrams for the students.

The Pre-K classes had a visit from a pediatric dentist to talk to the students about the importance of taking care of their teeth.

The fourth grade students had a few field trips last month, one of which was to the Von Braun Center to hear the Huntsville Symphony Orchestra perform. The students dressed up for this special day where they heard a live professional performance and practiced being good audience members. They also took a trip to Burritt on the Mountain to explore life in the past.

A few Special Events were also going on during February. The Scholastic Book Fair was held so that students and families could explore and buy new books.

Families and students were able to attend **STEAM Night** on February 15th. Hands-on science activities were found in the classrooms and gym for the guests to explore and do. Making kaleidoscopes, running circuits, and straw rockets were some of the make-and-take stations. In addition, Burritt, UAH Engineering, JPII Rocket Club, and a Nature Preserve had stations for students to explore. Science fair projects were on display for everyone to see.

We also want to welcome **Sarah Walker** to our afterschool staff!

Enrollment has opened for Summer Camp and the 2024-25 School Year. Please encourage those you know to come and check out Grace!

God's Blessings,

Delaine Schiestel

CDC HAPPENINGS

March 2024 Edition

It is hard to believe that we are already entering the month of March. This school year is flying by! The CDC is looking forward to spring and all that it brings... growth, transformation, renewal, and hope! We are so thankful for Jesus and the salvation that He provided us! Thanks be to God!

In February, the CDC celebrated Valentine's Day and ended the month with spring pictures taken by Spoiled Rotten Photography (SRP). This is always a lucrative fundraiser for our center and we appreciate SRP and the beautiful pictures they take of our CDC kiddos for their families. We also got to have some fun and take "Pics with Baby Chicks... and a Bunny." Two of our teachers provided the animals and the kids loved interacting with them!

Looking ahead: In March, the CDC gets to celebrate both St. Patrick's Day and Easter in the same month. We will be very busy teaching the story of Easter and its importance. On **March 22**, a few CDC teachers will be providing childcare for the **Parents Night Out** hosted by our Grace Lutheran School PTL. On **March 28**, the CDC is so excited to perform our **Spring Musical** for the CDC families. The children have been practicing very hard!

Most importantly, the CDC has a special prayer request for one of our families. **Collins Bailey**, age 1, is flying to Boston on March 4 to have a third (and hopefully last) heart surgery scheduled for **March 12**. Collins and her sweet parents will be in Boston for at least the entire month of March while she recovers. Please cover this child, her family, and her team of medical professionals with your prayers of peace and guidance. We know that God has her in the palm of His hands!

OUTREACH CONNECTIONS

March 2024 Edition

LOCAL MISSION ENGAGE CONNECTIONS

Grace Lutheran has developed a relationship with **McDonnell Elementary School** (4010 Binderton Place, Huntsville, AL 35805). We have been advocates for the school and open to responding to needs as they are shared with us. We are still stocking their Little Library with children's books. The library has been moved nearer to the school building as it was knocked down twice recently. **We have a need for children's books, activity books, and basic school supplies.** You can support this project by contributing gently used children's books or providing such items as commercially wrapped individual snacks (examples: Cheez-It crackers, Lance sandwich crackers, Rice Krispy or granola bars). Books and school supplies along with food supplies may be placed in the chest in the church narthex. Thanks for your generous support as you respond in the love of Jesus.

First Stop encounters the homeless where they are, connects them to critical services and support, and empowers them toward independent sustainable living. So far this year, the First Stop team has successfully assisted 53 individuals from homelessness to independent, sustainable living. These are 53 people who are no longer living on the street but are sleeping in the safety and comfort of their own homes.

First Stop relies on volunteer support to provide hot meals twice a day at the temporary facility location – 2820 Governors Drive.

Volunteer Tips for providing meals:

- Meals should serve 80-100 people. Prepare food for 80 people! **3-4 servers** are needed to serve the meal.
- Provide food that is already prepared and only needs to be heated. No cooking, please.
- We serve Breakfast and Lunch, Monday through Friday. Breakfast meals are to delivered to **First Stop** by 7:45 AM and lunch meals by no later than 11:15 AM.
- Breakfast is served from 8:30 AM to 9:30 AM.
- Lunch is served from 12:00 PM to 1:00 PM.

CONNECTION GROUPS

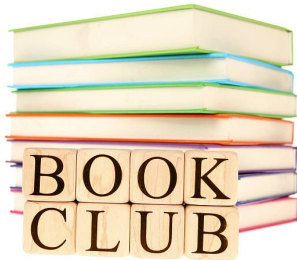

March 2024 Edition

ARE YOU CONNECTED?

Connection Groups (formerly called interest groups) are a means of “building bridges” to connect with others (unchurched or dechurched) in your neighborhood or our community. It’s about building a group around a similar interest (hobby, craft, fun activity, sport, or just about anything else under the sun). The goal is to help connect persons to Christ, the church, and the community. Dream the possibilities and then explore the opportunity to set up a group that meets at least on a bi-weekly basis. Of course, you can choose to take breaks in the schedule as needed for holidays/summer vacation, etc. Grace Lutheran’s vision is to grow in being passionate servants. Organizing or leading a connection group is a means of being a passionate servant. Have you ever thought that you can be instrumental in connecting others around interests as a means of serving God?

Want to start your own group? Contact Kathryn Bradshaw or the church office. Not in a group? We encourage you to join one of our existing groups.

Here is a listing of the current Connection Groups (Continued on next page)

The Christian Book Club meets in the church library at 10:00 AM on the 2nd Wednesday of each month. Our next meeting will be **Wednesday, March 13th**, and we will be discussing *West With Giraffes* by Lynda Rutledge. The next reading selection is *The Secret Chord* by Geraldine Brooks. Contact Karen Crout or the Church Office with any questions.

*Can't come to the Book Club? Books from our reading selections are also available in the church library. When you enter the library, go to the bookcase on the opposite wall (to the left of the window). You will find the books on the bottom two shelves. There is a sign indicating that these are Book Club books. **Feel free to take any of the books!***

The Sew 'n Sews meet on Mondays from 1:00 PM - 3:00 PM in the church choir room.

Recent donations included adult lap quilts, walker totes and a shawl to Big Spring's Specialty Care Center. We also made more pillow ports for the Southern Cancer Center of Huntsville. There's something for everyone to make, no matter your skill level or sewing/craft interest.

Come and join us! Contact Harriett Kicklighter or the church office for more information.

SAINTS ALIVE

March 2024 Edition

Saints Alive is an adult organization within Grace Lutheran Ministries. The group is open to Grace Lutheran members and their friends. The organization hosts two activities each month on the first and third Wednesdays. These activities are designed for fellowship, education, and lunch. Some of the activities involve nearby travel using the church/school bus or by cars. Other activities are held at the church involving speakers on various topics. Descriptions of the activities are placed in the Sunday bulletin, and sign-up sheets are posted in the church narthex. All who have an interest in the various activities are encouraged to join us. Sign-up is needed by the Sunday prior to the activity.

March and April Activities

We love our Grace Lutheran Saints Alive!

Saints Alive members have been busy lately. We have traveled to Decatur to Wheeler Wildlife Refuge to see the cranes. We also traveled to Pritchard Distillery in Kelso, TN. We also prepared and served the Lenten meal on February 28th. We would love to have more people join us for our trips. Always sign up on the sign-up sheet on the easel in the church narthex.

The next Saints Alive activity on **March 6th** will feature **Jordan Dressman**, chief meteorologist for Fox 54. He will be giving a presentation on severe weather awareness. We are entering the time of year when severe weather takes many forms: thunderstorms, tornadoes, or floods. Dangerous weather can develop quickly. Once a tornado approaches or flooding develops, there's no time to develop a plan.

We will meet in the assembly room in the school at **10:00 AM**. Please use the parking lot south of the school and enter the Assembly Room on the south side at the double-door entrance. Lunch will follow at **Logan's Steakhouse** on Balmoral Drive. Ann and Bill Duncan are the contact people for this activity.

On **March 20th** we will be visiting the **Beechcraft Heritage Museum** in Tullahoma, TN. This is a one-of-a-kind aviation museum that began as the Staggerwing Museum Foundation. It now preserves the heritage of all Beechcraft models from 1932 to the present. The bus will leave the church at **8:45 AM**. Cost is \$10 for those over 65 and \$12 for younger folks. Lunch will follow at **Daddy Billy's** in Tullahoma. Karen Ager is the contact person for the trip.

Then on **April 3rd** at **10:00 AM** we will visit the **Huntsville Museum of Art**. There are two exhibits that we will enjoy. The first is American Made: Paintings and Sculptures. The other is Chrome: David Parrish. We will have lunch at **Pane e Vino** at the museum. Karen Crout is the contact person for this trip.

STEPHEN MINISTRY

March 2024 Edition

Talk to the hand. . .Do you hear me now?

By Merle Trich

Do you remember the commercial where the person moved around and kept asking, "Do you hear me now?" Or what about the phrase, "Talk to the hand!" "Talk to the hand" is a slang phrase that originated as a sarcastic way of saying one does not want to hear what the person who is speaking is saying. The focus is on "hearing," but there's no listening involved. Listening, on the other hand, takes effort. Listening is focused, voluntary and intentional.

Noise is what we hear and is involuntary and effortless. How many times do you have the television on and someone asks you what was just said and you look up and acknowledge you heard it, but you have no idea what was said as you were not listening...it was just noise. There's a lot of noise in the world.

We have a God who not only hears us, but LISTENS to every prayer. As we study Prayer during Lent, we are reminded of how important it is to pray, and the many prayers of the Bible. So many times we say we "don't know what to do," but as Pastor reminded us, that's when our faith reminds us to "follow God's lead." God will show us the way. God speaks to us in many ways, but do we "listen" when he speaks?

So when you pray, pray with confidence. God will listen and always keeps his promises. He answers prayer in ways that align with His will. 1 John 5:14-15 says, *"This is the confidence we have in approaching God: that if we ask anything according to his will, he hears us. And if we know that he hears us in whatever we ask, we know that we have the requests that we have asked of him."* Remember Psalm 139:4-6 as you pray. *"Before a word is on my tongue you, LORD, know it completely. You hem me in behind and before, and you lay your hand upon me. Such knowledge is too wonderful for me, too lofty for me to attain."*

Stephen Ministers are available to listen and journey with you through difficult times in life, such as losses through death, illness, aging, or broken relationships. The Stephen Minister will be "present" to reflect and help you connect with God's presence in your life. If you feel such a need, please contact Judy Zecher or Pastor Russ to discuss your desire to be assigned a Stephen Minister, or if you have any questions about Stephen Ministry at Grace.

May God strengthen our Stephen Ministers as they serve members of our congregation and the community.
