

### Matching Gift - Quickly Met

Well, that was quick! Earlier this summer a Grace Lutheran couple made the generous decision to offer a matching gift for our GraceLand Capital Campaign. Every dollar given up to \$100,000 from August through December would be matched dollar for dollar. We began this matching gift opportunity in August, and had five months to complete the challenge. I am happy to report that we met the challenge in only two months! Thanks be to God.

By the end of September, your generosity met the entire match. The \$100,000 that you gave was matched by their \$100,000, and in just two months, together you paid off \$200,000 of our debt on the recently purchased property. Praise the Lord, and thank you for your generosity!

### Building Expansion and Worship Space Needs

Last year, our Master Plan Committee worked with Fuqua and Partners Architects to develop a Master Site Plan for our campus. Our voters adopted that plan on May 18, 2025. We have also been making great progress in paying off the debt incurred when we purchased the property in December of 2023. The property was purchased for \$3.2 million, and in less than two years we have paid down over one-third of that debt so that our current debt is **\$2,104,843.38**. At the same time, our worship attendance has continued to grow.

In the July Grace Notes, I wrote about it being “High Tide in the Sanctuary.” The waters are showing no signs of receding. Our average worship attendance in August and September is up 6.5% from this time last year (up from 338 to 360). Our progress in paying down the debt combined with our continued growth and need for more space demonstrates that it is time to get engineered drawings for the First Phase of the Master Plan. The First Phase would include the new Child Development Center, a covered entrance on the north side of our sanctuary, and parking on the north side of our campus. Adding parking and an entrance on the north side of our campus would allow us to hold a third worship service on Sunday mornings to address our increasing need for additional worship space. The engineered drawings will allow us to have more concrete numbers for the cost of the different projects.

## The Purpose of the LORD

*Many are the plans in the mind of a man, but it is the purpose of the LORD that will stand.*

**-Proverbs 19:21**

As we live through this exciting season in the life of our congregation here at Grace, we keep our eyes fixed on the purpose of the LORD. The purpose of the LORD is that we would follow Him, that we would put our trust in Him, and that the depth of our personal relationship with Jesus would continue to deepen. Seeing the Kingdom of God grow in this place brings us great joy. When we look to Jesus, pray to Jesus, depend on Jesus, and open our lives to Jesus, it brings great joy to our Father in Heaven, because that is what fulfills the purpose that He has for us.

In Christ,

Pastor Russ

*As each has received a gift, use it to serve one another, as good stewards of God's varied grace...*  
**1 Peter 4:10**

## God's Fingerprints are Everywhere

In last month's Grace Notes, I wrote on vocation, this beautiful expression of the faith that is prominent in Lutheran theology. It is among the great treasures that came from the Protestant Reformation. God pours out his blessings upon his people and gives various stations and ways for Christians to be the hands and feet of God.

When I was a kid, I learned a camp song called *The Hippo Song*. It is a silly song; the lyrics describe how God made all kinds of creatures, including the hippo. But one line of the song stands out to me, and it doesn't necessarily limit itself to just hippos. *"God's fingerprints are everywhere, just to show how much he cares."*

Our God is a hands-on God. God is hands-on through his act of creation. God is hands-on as he sends his Son Jesus into the world. God is hands-on as Jesus goes to the cross for us and his hands are nailed for us. God is hands-on through the church sharing the faith given to them and the good news of Jesus' death, resurrection, and return.

We can see God's fingerprints everywhere, and we especially see God's fingerprints at work as he sets us in the many places and stations we have in life. We are surrounded by God's fingerprints at work as he creates us to be people who worship him, grow in their faith, and who share that faith by engaging in service for their neighbor.

Peter calls the church to a life that is hands-on, just as their Lord is hands-on. *"As each has received a gift, use it to serve one another,"* he writes at the end of his letter. The faith of the church is certainly one that clings to the heart as it trusts in all of God's promises, but it doesn't stay there. The faith of the church flows out through the hands as God's people practice being God's fingerprints, as their faith touches the lives of others, as their hands reach out to engage in life with others, and as their lives serve as a witness to the hope that lives within them.

We have an opportunity to Engage in Service together, hands-on, as a church. Grace is hosting Freedom Sings USA, a non-profit organization that helps veterans tell their stories through songs. Come join us as we serve with our hands for those who have served their country with much more than their hands.

A concert of these songs will be performed live at Grace on **October 11th at 5:30 PM**, and I invite you to join us as we Engage in Service with Freedom Sings USA. If you would like more information about Freedom Sings USA or would like to Engage hands-on, please let me know.

God's blessings to you as you live as God's fingerprints, everywhere.

-Pastor Andrew

# PRINCIPAL'S CORNER

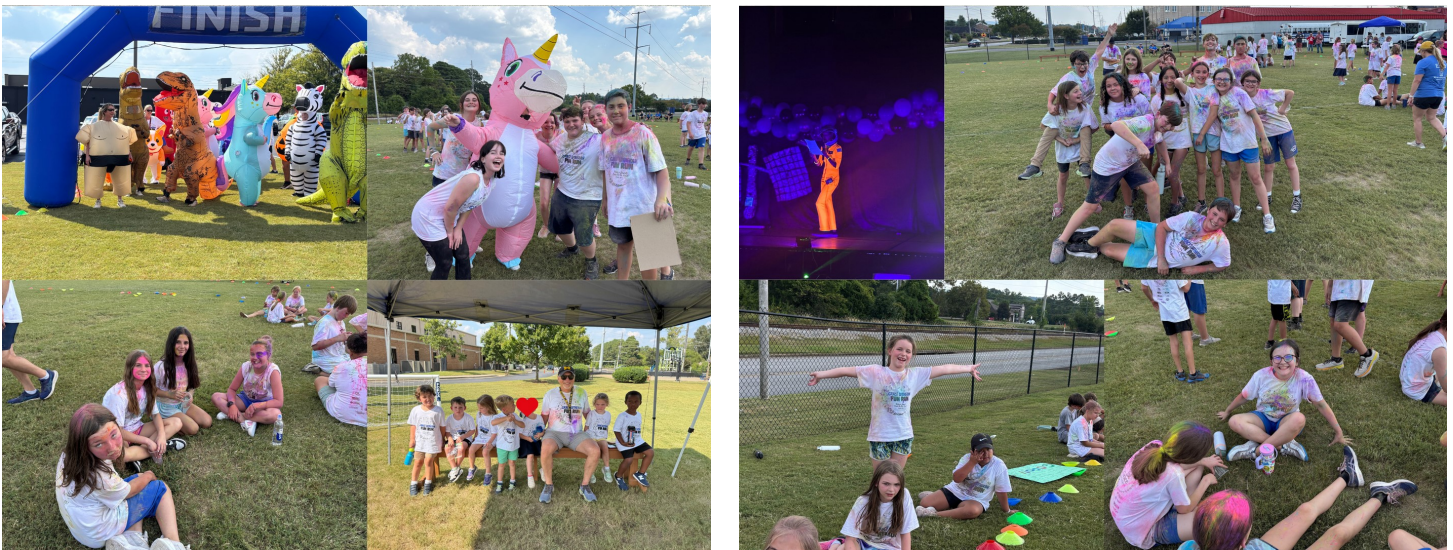

## October 2025 Edition

It's hard to believe that we have already reached the end of the first 9 weeks of school! The time has flown by in a flurry of teaching, learning, sports, activities, and big events!

Our Fun Run took place on September 19th, and as always it was a tremendous success! All of the kids, from our CDC through middle school, enjoyed getting outside and running with their friends. The original fundraising goal was \$30,000.00, and our final total was \$47,000.00! We are so grateful to the PTL for the incredible job they did planning and executing the event, and thank you to the congregation members for their support as well. The kids very much enjoyed their rewards of getting to pie Pastor Russ and Pastor Andrew and throwing paint balls at the principal!

Yesterday Grace also hosted their annual VIP Day. Over 300 guests came onto campus to spend time with the students and take part in some fun activities. It is always an exciting event, and we are thankful to all the staff who worked hard to make it an enjoyable morning for all in attendance. We are wrapping up the week with E-Learning days as several of our teachers attend the LEA (Lutheran Education Association) Convocation in St. Louis. With our soccer and volleyball seasons finishing up in the last week, it's a great time to take a breath. We pray that all of our students and families have a wonderful Fall Break, and come back ready to tackle the next part of the school year!

Thank you for your continued support of our students, staff, and school!

# CDC HAPPENINGS

## October 2025 Edition

We are having so much fun at the CDC! We are so ready for fall and all that it brings. We are patiently waiting for cooler temperatures. *"Be patient, then, brothers and sisters, until the Lord's coming. See how the farmer waits for the land to yield its valuable crop, patiently waiting for the autumn and spring rains. You too, be patient and stand firm, because the Lord's coming is near."* James 5:7-8

In September the CDC celebrated Labor Day by spending a day at home with our families. We held an event (Granola with Grands) to celebrate our grandparents, had a fire drill, and participated in the Fun Run. The Fun Run was a blast and we loved helping raise money for our school! We hired more staff and are thrilled to have them join our team! We successfully navigated a water main break and the best news of all - Our roof got repaired! This is a huge blessing. Prayers for no more leaks!

**Looking ahead:** In October Spoiled Rotten Photography will be here to take fall pics of the kiddos. This is a great fundraiser for the CDC, as we get a percentage of the picture purchases! Our Preschool 3 classes will be having a great big Fall Party, the entire CDC will have Costume Day at the end of the month and we will also be participating in the church's Trunk-or-Treat! We can't wait for all the fall fun!

Thanks be to God!

# GROW - NEW STUDY OPPORTUNITIES

## Psalms

This Bible study will take a dive into the book of Psalms. We will be using the videos and study guide from The Epic of Eden – Psalms by S. Richter as the foundation of the class information and discussion. Delaine Schiestel will lead the study in Cafeteria, beginning on **October 12th**.

This study will be exploring:

Who wrote the Psalms and why - in the historical context

How psalms were used in worship – in the past and present

Exploring the different types of psalms and how we can use them for praise, comfort, and lamenting

Interpreting the Psalms through a lens of sacred space and Divine Authority

Jesus and the Psalms – His use of them and the Prophetic Psalms

---

## What in Heaven and Earth are We Talking About? The Case for Heaven and More!

This study will reflect first on the Case for Heaven, which is a five-week study and video presentation by noted apologist Lee Strobel. Each of us wants to know what awaits on the other side of death. Is there any convincing proof that we will live on in eternity? If so, what will our experience be like? Follow Strobel on this journey of discovery of the entirely credible, believable, and exhilarating life to come. During the remaining seven weeks we will look into a study by John Burke from his book “Imagine Heaven.” What do the Scriptures say about heaven? What can we specifically learn from Jesus about Heaven? This thrilling journey into the afterlife will make you feel like you’ve been there, forever changing the way you view the life to come-and the way you live your life today. You’ll discover Heaven is even more amazing than you’ve imagined. Come and join us for this exciting adventure into our future home. Join Dexter and Joyce McClure as they lead the study in the Assembly Room, beginning on **October 12th**.

# OUTREACH CONNECTIONS

October 2025 Edition

## LOCAL MISSION ENGAGE CONNECTIONS

Grace Lutheran has developed a relationship with **McDonnell Elementary School** (4010 Binderton Place, Huntsville, AL 35805). We have been advocates for the school and open to responding to needs as they are shared with us. We are still stocking their Little Library with children's books. The library has been moved nearer to the school building as it was knocked down twice recently. **We have a need for children's books, activity books, and basic school supplies.** You can support this project by contributing gently used children's books or providing such items as commercially wrapped individual snacks (examples: Cheez-It crackers, Lance sandwich crackers, Rice Krispy or granola bars). Books and school supplies along with food supplies may be placed in the chest in the church narthex. Thanks for your generous support as you respond in the love of Jesus.

**First Stop** encounters the homeless where they are, connects them to critical services and support, and empowers them toward independent sustainable living. So far this year, the First Stop team has successfully assisted 53 individuals from homelessness to independent, sustainable living. These are 53 people who are no longer living on the street but are sleeping in the safety and comfort of their own homes.

**First Stop relies on volunteer support to provide hot meals twice a day at the temporary facility location – 2820 Governors Drive.**

### Volunteer Tips for providing meals:

- Meals should serve 80-100 people. Prepare food for 80 people! **3-4 servers** are needed to serve the meal.
- Provide food that is already prepared and only needs to be heated. No cooking, please.
- We serve Breakfast and Lunch, Monday through Friday. Breakfast meals are to delivered to **First Stop** by 7:45 AM and lunch meals by no later than 11:15 AM.
- Breakfast is served from 8:30 AM to 9:30 AM.
- Lunch is served from 12:00 PM to 1:00 PM.

For more information, **contact Lorna Menzel or Pastor Andrew!**

# CONNECTION GROUPS

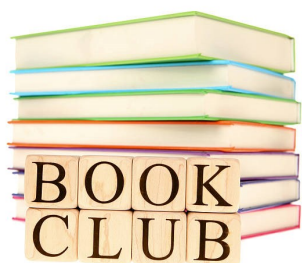

October 2025 Edition

## ARE YOU CONNECTED?

**Connection Groups (formerly called interest groups)** are a means of “building bridges” to connect with others (unchurched or dechurched) in your neighborhood or our community. It’s about building a group around a similar interest (hobby, craft, fun activity, sport, or just about anything else under the sun). The goal is to help connect persons to Christ, the church, and the community. Dream the possibilities and then explore the opportunity to set up a group that meets at least on a bi-weekly basis. Of course, you can choose to take breaks in the schedule as needed for holidays/summer vacation, etc. Grace Lutheran’s vision is to grow in being passionate servants. Organizing or leading a connection group is a means of being a passionate servant. Have you ever thought that you can be instrumental in connecting others around interests as a means of serving God?

Want to start your own group? Contact Kathryn Bradshaw or the church office. Not in a group? We encourage you to join one of our existing groups.

## Here is a listing of the current Connection Groups (Continued on next page)

**The Christian Book Club** meets in the church library at 10:00 AM on the 2nd Wednesday of each month. Our next meeting will be **Wednesday, October 8th**, and we will be discussing *The Nightingale* by Kristin Hannah (Chapters 20-39). Our next read will be *The Redemption of Sarah Cain* by Beverly Lewis. If interested in attending, contact Karen Crout or the Church Office with any questions.

*Can't come to the Book Club? Books from our reading selections are also available in the church library. They are located on the shelf to the left of the TV. **Feel free to take any of the books!***

**The Sew 'n Sews** meet every Monday from **1:00 PM - 3:00 PM** in the **Genesis Room**.

We are currently working on more children's items, as well as items for the homeless. When the weather gets cooler, we plan to deliver adult lap quilts to various assisted living facilities.

**No special skills needed! Come and join us!** Contact Harriett Kicklighter or the church office for more information.

# SAINTS ALIVE

October 2025 Edition

**Saints Alive** continues to provide learning and fellowship activities for adults in our congregation. Anyone is invited to attend our activities. They are almost always held on the first and third Wednesdays of each month. Sometimes we have a speaker come to Grace to educate us in some area, or other times we travel to places in Huntsville or the north Alabama/southern Tennessee area. Consider joining us whenever you want. We always have a sign-up sheet posted on the narthex easel so that we know how many are coming.

## September Recap and Future Plans

We were busy during September. We had a trip to Anniston to two museums. Both were quite interesting and worth visiting. We also had an overwhelming group of participants for our Wheeler Lake Scenic Cruise. Forty-six people attended, and we had to schedule two different cruises that day. All who attended these September events had a wonderful and informative time.

October brings more adventures for the group. On **October 8th**, the Saints Alive will visit the US Space & Rocket Center (USRRC) to tour the Aviation Challenge camp site. Aviation Challenge is the USRRC's second most popular camp, and it houses an impressive collection of vintage fighters, bombers, helicopters, and a couple of surprises. We will meet at the ticket office in the main museum at **10:00 AM**. The cost of the tour is \$10, but there is no charge if you have a membership or a pass. The tour will take about 60-90 minutes, There is some walking, but most of it is on flat ground. The Grace bus will leave the Gibson's parking lot at **9:30 AM** for those who would like a ride. We have a **12:00 PM** reservation at the **Cheesecake Factory** for lunch. Ed Fulda is the coordinator of this trip. Sign up on the easel in the narthex. Please indicate if you are joining us for lunch by putting "L" after your name.

On **October 15** the Saints Alive will visit **La Famiglia Winery** in Toney. This winery just opened recently. The owners of the winery will share their story with us and tell us about the 18 wines that they produce. Wine will be available for purchase for \$8 per glass (5 oz.), \$12 per flight (four 2 oz. pours), and \$25 per 750 ml bottle. The winery was just recently featured in *Living 50 Plus Huntsville-Madison* magazine. We will have box lunches at the winery supplied by **Savie Café** in Toney. The cost of the lunch is \$15 (paid in cash to Kathryn Kervin at the winery). There will be a poster on the sign-up easel showing the choices of lunches. When you sign up for the trip, please indicate behind your name which lunch you would like to have. The sign-up will be available October 5th & 12th, but the earlier you sign up the better to give the café an idea of how many lunches they will need to prepare. If you can't do that, please contact Kathryn Kervin to place your order. The Grace bus will leave the Gibson's parking lot at **10:00 AM**. Sign up today.

Be aware that there will be two sign-up sheets on the easel on October 5th, so don't get them mixed up.

Looking ahead to November we will have a bus tour for Fall Leaf Peeping on November 5th and a trip to the Birmingham Zoo on November 19th. More information will be coming on these trips.

Join us for one or all of the upcoming events. We love to socialize with others from our congregation and also learn new things. Encourage new members of our congregation or visitors to join us.

October 2025 Edition

## My Friend, Jesus

By Merle Trich

Friends bring unique personalities into our relationships. Friendships can be lifelong or only for a season, but a true friend is there in good times and bad. I've been reflecting on my friendships and giving thanks for each of them and what they bring to my life. One of my closest friends lives many states away. However, we build each other up during our weekly calls when we talk about our past week's challenges and joys.

We all fall short of being the "perfect" friend, but we are reminded that Jesus is our perfect friend. The secret of being a good friend is to abide in Christ and remember the purpose of friendship: To honor God. As I think of the hymn *What a Friend We Have in Jesus*, I am reminded of Jesus, my perfect friend. The bible gives us an outline of how to be a godly friend and what characteristics support strong friendships. A good friend is an "encourager," loyal, thoughtful, speaks the truth, speaks in love, prays for you, forgives, and brings out your best. 1 Thessalonians 5:11 states "*Therefore encourage one another and build one another up.*" What a beautiful gift we have in our friends!

Recently, I watched some old episodes of "The Golden Girls" and the melody of *Thank You for Being a Friend* reminded me of how I do not thank my friends nearly enough for their part in my life. Thank Jesus, your best friend, and be that godly friend to someone who needs encouragement.

The loss of a friend or family member can leave an emptiness. Grace offers support through GriefShare and Stephen Ministry. If you are looking for encouragement and strength during challenging circumstances in life, a Stephen Minister can listen and support you as you look for peace and hope in His Word.

Grace Lutheran Church will be offering the GriefShare seminar "**Surviving the Holidays**" on **Sunday, November 16th**. See the bulletin and the Announcements section for details and to register for this uplifting program as you navigate the holidays after the loss of a loved one.

Please contact or speak to Pastor Russ, Pastor Andrew, Dexter or Joyce McClure, David Groggel, Bev LeMaster, or Merle Trich if you would like more information on either supportive program.

May God guide and strengthen our Stephen Ministers and GriefShare facilitators as they serve and pray for members of our congregation and the community.

## GraceLand Capital Campaign Update

Thank you to all who have been supporting the GraceLand Capital Campaign since it began a year ago. During August we collected around **\$70,000.00**, which brings the total collected for the campaign to over **\$570,000.00!** Combined with excess funds that were put toward debt reduction, we have paid down over **\$1 million** of our initial \$3.2 million loan. In August a challenge was presented to the congregation to donate \$100,000.00 through December, which would then be matched by an anonymous donor. Through the generosity of our members we reached that goal in just two months! Thank you so much for your giving spirit!

The more of the principal of our loan that we pay down during this period puts us in a better position to begin executing the beginning stages of the Master Plan, which was approved by congregational vote back in May. Click [here](#) to see a layout of the approved plan.

You can give online or by check with GraceLand Capital Campaign or GCC in the memo line.
